

SUNRISE FHIR R4 TERMS

The FHIR R4 annual base subscription is valid for up to 1M transactions per month. If Client exceeds the base 1 million transactions (included in base) per month per facility that is within the contracted enterprise, Altera can charge additional usage fees in the tiers described below. These fees would apply across the contracted enterprise in aggregate across all facilities.

Tier 1 - 1-1M transactions = (Included in Base Infrastructure)

Tier 2 - >1M-2M transactions = \$1,200 per month additional fee

Tier 3 - >2M-4M transactions = \$3,600 per month additional fee

Tier 4 - >4M-6M transactions = \$6,000 per month additional fee

Tier 5 - >6M-11 transactions = \$12,000 per month additional fee

Tier 6 - >11M-20M transactions = \$22,800 per month additional fee

Tier 7 - >20M transactions = \$34,800 per month additional fee
